Swap Matic for PFT Swap Mati

Introduction

This document covers the main ways to trade Matic for PFT:

- 1. Using your mobile phone (pages 1-3)
- 2. Using your computer web browser with Trust Wallet (page 4-7)
- 3. Using your computer web browser with MetaMask (page 7-9)

Section 1: Swapping Matic for PFT using your mobile phone

On your mobile first open your Trust Wallet application and then in a browser head to our main website
 <u>https://pestfreetoken.co.nz</u>. From the main menu click the **Trade** menu item. The page opens with a button
 to click to start the process. Once clicked a webpage will open with the DEXTswap tool on it.

2. Tap the **Connect Wallet**, a screen opens that shows some of the common wallets at this point the Trust Wallet button may show or you may need to click the **All Wallets** and from here select Trust Wallet.

3. A screen opens on your Trust wallet asking you to confirm the connection between the DEXTools trading widget and your Trust Wallet. Click **Confirm**.
